

THE COMMUNITY FOUNDATION *of* FREDERICK COUNTY

For Good. Forever. For Frederick County.

“Creating My Legacy”

March 29, 2017, 6:00 p.m. – 8:00 p.m.

**The Community Foundation of Frederick County Conference Room
in partnership with The Frederick Center**

You are invited to attend “Creating My Legacy” and learn how, through your estate, bequests and planned gifts can support your favorite charities or causes. No matter your age, estate planning is important. You and your family can benefit by giving this thought and putting a plan together. Most importantly, your gift becomes a lasting legacy of your generosity and caring.

The program will be presented by Betsy Day, Community Foundation President and CEO, charitable giving expert, and special guest Lee Carpenter, Esq., Associate, Semmes, Bowen & Semmes, an estate planner who works closely with the LGBTQ community. Learn how, regardless of asset level, you can create a comprehensive estate plan that also builds your legacy and realizes your charitable goals.

The program is complimentary, and there is no obligation. Come and enjoy some refreshments, and learn more about estate planning and legacy opportunities.

Please RSVP by Friday, March 24 to Elena Joos, Philanthropic Services Associate, at e.joos@FrederickCountyGives.org. Or, call Elena at 301.695-7660.
